Prof. Ram Dantu giving a talk about the “Work Skill Readiness Tool” during the event

Birds of a Feather Topics (5-7)

- Industry’s most popular work roles - Lead by the Program Management Office
- IDEAL Workforce Programs - Lead by Eleanor Taylor, Idaho National Laboratory. IDEAL Workforce Programs are designed to attract, develop and retain a diverse, high-achieving, skilled next generation workforce that includes women and underrepresented minorities in STEM, to support the U.S. national security mission areas.
- Work Skill Readiness Tool - Lead by Ram Dantu
